

Accessibility for Ontarians with Disabilities Act Policy (AODA Policy)

Background Screening Services

Last updated: January, 2024

This policy outlines procedures to provide services to people with disabilities and addresses such elements as assistive devices, service animals, support persons, proper communication and training of the employees of Mintz Global Screening Inc.

POLICY STATEMENT

Mintz Global Screening Inc. is committed to excellence in serving all visitors, clients or employees including people with disabilities. The purpose of this policy is to confirm our intention to provide services to people with disabilities in a manner that is consistent with the principles of dignity, independence, integration and equal opportunity.

The customer service standard ensures that accessibility will be part of Mintz Global Screening Inc.'s everyday service delivery and will ensure that our premises are accessible to all as well as the necessary assistance to the accessibility of our premises. Any Mintz Global Screening Inc. policies that address accessibility for people with disabilities will reflect Mintz Global Screening Inc.'s commitment to providing accessible services.

Definitions

"disability" means,

- (a) any degree of physical disability, infirmity, malformation or disfigurement that is caused by bodily injury, birth defect or illness and, without limiting the generality of the foregoing, includes diabetes mellitus, epilepsy, a brain injury, any degree of paralysis, amputation, lack of physical co-ordination, blindness or visual impediment, deafness or hearing impediment, muteness or speech impediment, or physical reliance on a guide dog or other animal or on a wheelchair or other remedial appliance or device,
- (b) a condition of mental impairment or a developmental disability,
- (c) a learning disability, or a dysfunction in one or more of the processes involved in understanding or using symbols or spoken language,
- (d) a mental disorder, or
- (e) a workplace injury or disability for which benefits were claimed or received under the provincial Workers Compensation program.

"assistive device" means a tool, technology or other mechanism that enables a person with a disability to perform everyday tasks and activities such as moving, communicating or lifting.

"service animal" is an animal used by a person with a disability and for which it is either (i) readily apparent that it is used for that purpose or (ii) for which the person has a letter from a physician or nurse verifying that the animal is required for reasons relating to his or her disability.

"support person" means, in relation to a person with a disability, another person who accompanies him or her in order to help with communication, mobility, personal care or medical needs or with access to goods or services.

Assistive Devices

Mintz Global Screening Inc. will ensure that its employees are trained and familiar with various assistive devices that may be used by visitors, clients or employees with disabilities while accessing our services or our locations.

Communication

Mintz Global Screening Inc. will communicate with people with disabilities in ways that take into account their disability. If any Mintz Global Screening Inc. employee receives a request from a disabled person, the employee should make all reasonable efforts to accommodate the request. Should the employee not be able to accommodate the request, the issue must be brought to the attention of the employee's manager or director in order that the concern is addressed appropriately.

Service Animals

Mintz Global Screening Inc. welcomes people with disabilities and their service animals. Service animals are allowed on company property. In the event that an employee of Mintz Global Screening Inc. performs work in the facilities of a client, the employee shall respect the policy of the client regarding service animal's accessibility.

Support Persons

A person with a disability who is accompanied by a support person will be allowed to have that person accompany them on our premises. In the event that an employee of Mintz Global Screening Inc. performs work in the facilities of a client, the employee shall respect the policy of the client regarding support person's accessibility.

Notice of Temporary Disruption

In the event of a planned or unexpected disruption to services or facilities for visitors, clients or employees with disabilities, Mintz Global Screening Inc. will notify visitors, clients or employees promptly by posting a notice. This clearly posted notice will include information about the reason for the disruption, its anticipated length of time, and a description of alternative facilities or services, if available.

The notice will be placed at all impacted locations in advance of the disruption if possible. Mintz Global Screening Inc. will ensure that all employees who are affected by this temporary disruption will be notified.

Training for Employees

Mintz Global Screening Inc. will provide training to all employees, and others who deal with the public or clients. Training will also be provided to every person who participates in developing our policies, practices and procedures governing the provision of services to members of the public or clients.

Training will include:
