

Credit Check

Obtain pertinent credit data about credit experience, loans, and outstanding debts.

Credit Check Your Applicants To Prevent Thefts And Frauds In Your Business:

In your business, financial responsibilities can take many forms: managing petty cash, managing accounts, working in IT, and more. All of these roles require high levels of responsibility from employees to avoid putting your organization at risk.

As part of Mintz Global Screening's Credit Check service, you will receive a detailed report that outlines your applicants' credit ratings, details of their outstanding and prior debts, and a confirmation of their personal information.

With extensive experience in credit checks, we work with trusted partners that are reputedly reliable and will provide you with accurate information to assist you in making the right decision.

Our Credit Check Service Provides A Detailed Report That Will Help You:

-  Identify and manage risks in your company.
-  Hire applicants with a credit history that demonstrates their managerial skills.
-  Avoid the possibility that applicants would mislead the background check procedure by giving inaccurate information about their identification.
